City Council Citation

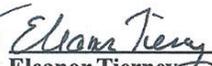

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work as a champion of historic preservation. As a commissioner of the Historic Preservation Commission, you applied your degree in architecture and experience in construction management to maintaining the City's irreplaceable historic architecture. As co-chair and chair, you brought stability, experience and a broad perspective to guide the wave of projects the City has experienced since the COVID-19 pandemic, including the new Hillman Garage. We thank you for your work and for your continued advocacy as Chair of the Chesapeake Crossroads Heritage Area. We appreciate your considerable time and effort devoted to the cause of preservation.
