## City Council Citation

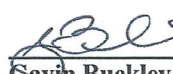

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work as a valued team member of the Department of Public Works. Tonight we want to recognize your dedication and highlight a specific instance of that commitment. On Christmas Eve 2022, when bitter cold temperatures had descended on our region - temperatures in the teens with wind chills in the single digit - you worked through the night and into the morning to repair two broken water mains. Due to your hard work and devotion to our residents, you were able to help those in the affected areas have a very Merry Christmas. We know that time away from family on important occasions is part of the job, but in this instance, the work can be classified as above and beyond. We thank you and we thank your families for sharing you and your talents on Christmas Eve and Christmas morning.
