

O-17-25

Limiting Short-Term Rentals per Blockface

AMENDMENT 1 – ALD. SAVIDGE

Amendment Summary:

Amendment 1 clarifies the definition of "blockface" to explain that it includes city blocks that have irregular shapes.

MOTION:

On page 8, strike lines 26 and 27, and insert a new subparagraph "2" followed by "'Blockface" means one side of a street between two consecutive features intersecting that street. a. The features can be other streets or boundaries of standard geographic areas. B. In areas with irregular features that do not directly meet the definition, the blockface shall be determined by the Director of Planning and Zoning.'

As the amendment would appear in O-17-25:

~~"Blockface" means one side of a city block; a collection of side-by-side lots along one side of one block of land that faces a street between two cross streets.~~

- "2. "Blockface" means one side of a street between two consecutive features intersecting that street.
- a. The features can be other streets or boundaries of standard geographic areas.
 - b. In areas with irregular features that do not directly meet the definition, the blockface shall be determined by the Director of Planning and Zoning."
