

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: Victoria Buckland, Acting City Manager

Date: June 10, 2025

Subject: R-27-25: Renaming of the Noah Hillman Parking Garage

Purpose of legislation

The purpose of this legislation is to rename the Noah Hillman Parking Garage located in downtown Annapolis as the "Mills Hillman Garage" in recognition of the contributions made by the Mills family to the City of Annapolis.

Impact of legislation on operations

Implementation of this legislation would require the City to create new signage related to the Hillman Garage and to update how the garage is referenced online, both in internal systems such as the City's GIS layers and externally with resources such as mapping sites. While updating signage and the City's internal systems is relatively straightforward, having the name change fully promulgated online will likely take more time.
