City Council Citation

Michael Blonder

On behalf of the citizens of the City of Annapolis, we are pleased to confer upon you this **CITY COUNCIL CITATION** in recognition of collectively leading the effort to revitalize and re-energize a once vacant space on Main Street, making it a pocket park that is a valued gathering place for residents, nonprofit organizations, entertainers, and visitors.

We applaud you for working with MainStreets Annapolis Partnership to create a welcoming and inviting location in our downtown business district that is a resting spot for shoppers, a meeting place for organizations and a highly visual location that preserves the historic character of our City while promoting economic growth.

This privately-owned and managed space on Main Street has been available to our locals and visitors and continues to enhance the economic vitality in downtown Annapolis. We thank you for your countless hours of volunteer service and honor you tonight for your contribution.

Given Under Our Hands and the Great Seal of the City of Annapolis this 12th day of January, 2015.
