

## FISCAL IMPACT NOTE

---

**Resolution:** R-3-20

**Title:** ADOT Safety Management Plan

**Date:** January 22, 2020

---

This resolution approves Annapolis Department of Transportation's (ADOT) Safety Management Plan, which is part of ADOT's Annual Transportation Plan submittal to the State of Maryland. The plan guides the integration of safety strategies for Annapolis Transit bus service.

Adopting this plan has no fiscal impact beyond that already incorporated into ADOT's budget as ADOT has already implemented the identified safety strategies.
