City Council Citation

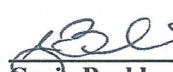

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to help the residents of the Annapolis Light House Shelter when a fire made the shelter uninhabitable during one of the worst rain, wind, and flood events the City has ever experienced. As a team member of the Annapolis Department of Transportation, you were nearing the end of your driving shift, having worked through challenging weather conditions as the storm passed through the area. Coordinating with the Office of Emergency Management, buses were staged for transport and at the right time, you got all of the residents, including children and families, to their destination - the Roger "Pip" Moyer Recreation Center. We thank you for your service to these residents and all the residents of the City of Annapolis. We appreciate all you do!
