

## FISCAL IMPACT NOTE ON PROPOSED LEGISLATION

---

**Resolution:** R-40-19

**Title:** Docking Fees Waiver

**Date:** September 6, 2019

---

This resolution waives the docking fees for the Wooden Boat Rendezvous & Race on September 20 – 23. According to the Harbormaster, the space for this event would result in \$1,141 in docking fees. The DNR has informed the City that if it waives these fees, it must waive fees for all boats during these days. Therefore, if this resolution passes, the Harbormaster estimates the City will forego approximately \$9,000 in docking fees.
