

Prepare, Plan, Stay Informed!

POSTER CONTEST

Students are encouraged to draw upon their personal experiences of how their families prepare for emergencies such as Maryland severe weather hazards.

Maryland weather hazards include, hurricanes, flooding, snow storms, earthquakes, thunder storms, and tornadoes. Students should then create a picture showing one of the following:

- One of above weather hazards and how you prepare for it.
- Artwork that portrays one or more of the steps of emergency preparedness (Prepare, Plan, Stay Informed).
- Drawing a picture of your family's emergency meeting place.
- Items that you may include in your family's ready preparedness kit.
