Date: 9/8/20

From: A/Capt. Dave Miguez

Re: Review of grant application

Greetings,

The Police Department has applied for a grant for fiscal year 2021 through the Department of Justice's Edward Byrne Memorial Justice Assistance Grant program.

Part of the grant application process is the Chief certifying that the application has been submitted to our governing body, or its designee, for review at least 30 days before submitting the certification. While they accept the application without the certification, they do not make any award, and no money is disbursed prior to the certifications being submitted. Since we have to wait 30 days prior to the Chief signing and submitting the certification, I respectfully request the application be reviewed by the Finance Committee during its September 16th meeting.

Respectfully,

A/Capt. Dave Miguez
