Legislation Title: **Extending Hours in Parking Districts 3 and 4**

Description: For the purpose of extending the Special Residential Parking District hours on certain streets in President's Hill and Murray Hill to midnight, seven days a week.

Analysis of Fiscal Impact: Due to an increased parking demand in the residential areas adjacent to the MX Zone, parking in specific areas of parking districts 3 and 4 have been limited to two hours per day between the hours of eight A.M. and midnight, seven days a week, inclusive, unless the vehicle parked within this area displays the special residential parking permit or is otherwise registered with the City and the authorized agent as a permit holder. The fiscal impact associated with this legislation could vary depending on the required enforcement activity and the revenue generated from the enforcement.
