Dear Ms. Saunders:

The Honoree Committee is submitting the Annapolis Lions Club to receive the Martha Wood Leadership Award for February, 2016. The Club was selected based upon a strong and long term commitment to Community Service in the Annapolis area.

The Club was chartered on June 3, 1941 in Annapolis; 28 business and professional citizens of the City began the Annapolis Lions Club as Charter Members. The Organization specializes in worthy Community Service Projects – especially eye exams and glasses at no cost for qualified low-income individuals thru local optical companies. Each year about 100 individuals in the Annapolis area receive a professional eye exam and glasses; residents of the Housing Authority of the City of Annapolis have benefitted from this Service for many years – most with no other means of assistance with eye exam/glasses.

For a strong sense of community conscience and dedication in helping those in need of a vital service, it is with pleasure that the Honoree Committee has selected the Annapolis Lions Club as the sixtieth recipient of the prestigious Martha Wood Leadership Award.

Sincerely,

The Honoree Committee
