## City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your service to the nation, the state of Maryland, and the residents of the City of Annapolis! Thank you. You served your country in the U.S. Army for four decades. You worked as a letter carrier with the United States Postal Service for 30 years, retiring on July 29 of this year. You worked a special route in Annapolis, one that didn't have a lot of mailboxes on posts. Each day you went door-to-door, often personally meeting with residents. In your last few weeks on the job you even delivered hand-written cards thanking people for letting you be their letter carrier! George, you believed that your life was meant to be one of service. You have delivered on that promise to yourself and your fellow Americans and Annapolitans. You are true altruist and patriot. We thank you and wish you the best in your retirement!
