

FISCAL IMPACT NOTE

Resolution: R-43-23

Title: Public Water Access at the Wells Cove Inlet in Eastport

Date: August 9, 2023

This resolution ensures the public can walk along the Wells Cove waterfront and enter the water to use small watercraft such as kayaks and paddleboards at the Wells Cove inlet. The resolution requires a sign to be added at the entrance. It will cost approximately \$200. The Harbormaster anticipates total staff time to patrol the area would be approximately \$20 per month.
