Statement of interest – Why should you be appointed to this board/commission?

As a relatively new resident to Annapolis, I am looking to get more involved in the city and local community. With my background in auditing, financial reporting and accounting, I am interested in bringing my perspective to the Audit Committee. Having worked in audit at Ernst & Young, I spent significant time auditing my clients' financial statements and internal controls, and presenting results to their audit committees. In my current role, I work in financial reporting and accounting, also involved in my company's internal controls process. I believe this experience makes me well suited to join the city's Audit Committee.
