Statement of interest - Explain your interest in being appointed to this task force and what you can bring to the group. List your experience and/or expertise in election law and/or election procedures.

I am writing to seek your consideration for appointment to the Task Force to Study the City Municipal Election Law. I have interacted with our election law system in Annapolis from a number of different vantage points. As a voter, a member of the Annapolis Democratic Central Committee, a candidate for Alderman, and a two-term member of the Annapolis City Council often updating our election code. I believe these experiences would allow me to make a contribution to the Task Force, both in terms of forming recommendations to improve the accessibility, security, and confidence in our election process, and in working with other Task Force members to drive consensus on a package of recommendations for the Board of Supervisors and the City Council to consider.
