March 13, 2015

To: Alderpersons, City Of Annapolis

From: Mayor Michael Pantelides

Re: Rules and City Government

Pending your approval, I would like to appoint Herbert M. Sachs to the Civil Service Board. Mr. Sachs is a resident of Ward 3 and this appointment fills a vacancy on the commission.

Mr. Herbert M. Sachs
221 S Southwood Avenue
Annapolis, MD 21401
410-269-6751

A copy of his resume is attached.

Thank You,

Michael Pantelides

WORK HISTORY

2012-Present Contractual Employee
Maryland Department of the Environment

- Alternate Commissioner, Interstate Commission on the Potomac River Basin.
- Liaison to the State Soil Conservation Committee: near completion of new procedures for approval of on-farm agricultural practices and structures.

1998 - 2012 Special Projects Coordinator
Maryland Department of the Environment

- Senior Advisor assigned to Governor's Advisory committee on the Management and Protection of the State's Water Resources. Completed five-year study providing recommendations for managing State's water resources.
- MDE lead in developing and eventually initiating study of Lower Susquehanna River Watershed addressing primarily water quality below Conowingo Reservoir. Study still underway.
- MDE representative on the Patuxent River Commission, State Soil Conservation and State Envirothon Executive Committees; MDE liaison to Coastal Bays Restoration Program.
- Alternate to MDE Deputy Secretary as Maryland member of the Susquehanna River Basin Commission and Interstate Commission on the Potomac River Basin.
- Technical and administrative services to Office of Secretary and MDE units including water supply, wetlands, mining, sediment and stormwater and compliance units.
- MDE lead for water supply/demand study of Potomac River Basin.
- MDE liaison to Anne Arundel County in investigation of radium contaminated groundwater.
- Development of compliance assistance training materials.

1992 - 1997 Executive Director, Interstate Commission on the Potomac River Basin (ICPRB)

- ICPRB members are Maryland, Virginia, West Virginia, Pennsylvania, District of Columbia and the Federal Government. Executive Director supervised activities of Commission which included the following:
 - Interstate and basin-wide coordination of water supply and water quality activities;
 - Water quality and water use monitoring and evaluation; conduct water-related studies either as Commission projects or on behalf of a signatory;
 - Liaison with citizen and government groups and dissemination of information about the Potomac; and
 - Technical support services to the Compact members

1962 - 1965 Resource Planner, Maryland Department of Planning

- Supervised state water supply and demand study.
- Participated in Susquehanna, Potomac and Appalachia water resources studies and drafting of the Susquehanna River Basin Compact.
- Drafted legislation creating Department of Water Resources, Department of Chesapeake Bay Affairs and the Maryland Geological survey.
- Supervised studies leading to creation of Assateague State Park.

1960 - 1961 Administrative Assistant; U.S. Study Commission - Texas

- Position assisted Director and staff in conducting statewide water resources study including preparation of staff document analyzing alternative cost-benefit analysis to be used in study and authoring fish and wildlife and recreation sections of the study report.
