Re: Recommendation for O-29-17

Dear Mr. Mayor and Members of the Council:

The Transportation Board met on May 24, 2017 to discuss O-29-17, "Double Parking."

*The Board unanimously supports O-29-17.*

**Rationale:**

O-29-17 provides significant flexibility for business owners who do not have off street access or an available loading zone to load and unload goods. This mitigates the long-standing complaint by business owners that enforcement where there are no dedicated loading facilities was very subjective. We find the ordinance will not adversely affect other members of the public.
