Legislation Title: Amending the City's Maximum Penalty

Description: For the purpose of amending the Maximum Penalty applicable to misdemeanors, infractions and violations to that proscribed by State Law.

Analysis of Fiscal Impact: The current legislation regarding the Maximum Penalty applicable to misdemeanors, infractions and violations conflicts to that proscribed by State Law. This Charter Amendment would resolve the current disparity by providing the City Council with the discretion to impose fines, incarceration, or other penalties or remedies as permitted by Maryland Law via an ordinance. For additional information on fines, incarceration, or other penalties or remedies permitted by State Law see Charter Amendment 2-16 and the Annotated Code of Maryland.
