

Staff Report and Fiscal Impact Note

Resolution 38-18

National Sailing Hall of Fame

The purpose of this resolution is to express the support of the City Council to retain the National Sailing Hall of in the City of Annapolis.

The National Sailing Hall of Fame has been promoting the City of Annapolis and the history of Sailing since November 2005, bringing the City enhanced economic value through programs focused on the science of sailing, the celebration of American sailors, the environment, and recognition of those who have become beacons of positive values and role models for our youth.

This resolution has no direct fiscal impact. There are no direct revenues or costs associated with it. We are unable to predict the indirect impact of any economic development benefits that might result from the National Sailing Hall of Fame remaining in Annapolis.
