Re: Recommendation for O-37-17 and R-24-17

Dear Mr. Mayor and Members of the Council:

The Transportation Board met on July 26, 2017 to discuss O-37-17 and R-24-17, "Parking Places and Parking Lots"

The Board supported O-37-17 and R-24-17 by a vote of 5 yea and 1 nay.

Rationale:

The board applauds the attempt to eliminate unused and unnecessary sections of the city code. We were not able to find any history on why section 12.28 was needed and what problems it was intended to solve. Our understanding is that it was rarely used or enforced and that maintenance and upkeep of these private lots are typically a part of an ongoing concern and are regulated under statutes that govern those concerns. Thus this section of the code is not needed and should be repealed.
