

TRANSPORTATION NETWORK SERVICES

O-20-17

Staff Report

This legislation removes the expiration date for imposing an assessment on Transportation Network Services for trips that originate in the City of Annapolis and removes the fee associated with such trips from Section 7.48.610 of the Code of Annapolis.

On April 11, 2016, the City Council adopted O-11-16, which authorized the City to assess a .25 cent fee for each trip generated by a Transportation Network Service company originating in the City of Annapolis. The Ordinance also provided that imposition of said fee shall expire on June 30, 2017.

Section 7.48.610 of the Code of Annapolis provides that said fee shall be set forth in the annual fees schedule and is subject to amendment.

R-17-17 is the proposed FY 2018 Fees Schedule, which is amended to include the \$0.25 fee that shall be assessed for each trip generated by a Transportation Network Service company originating in the City of Annapolis.

Therefore, Section 7.48.610 of the Code of the City of Annapolis should be amended to remove the aforementioned expiration date and fee in view of the adoption of R-17-17, the FY 2018 Fees Schedule.
