

LEGISLATIVE SUMMARY

O-23-23

Alcoholic Beverage License Code Correction

This summary was prepared by the City of Annapolis Office of Law for use by members of the Annapolis City Council during consideration of the legislation.

BILL SUMMARY

O-23-23 corrects mistakes in the City Code regarding liquor licenses.

The code was changed over many year to create new liquor license categories, but the changes weren't made to all sections of the code related to the licenses. This ordinance ensures that all licenses are included in the proper sections of the City Code.
