

FISCAL IMPACT NOTE

Resolution: R-16-22

Title: Filing of Grant Application with the Maryland Transit Administration

Date: March 13, 2022

This resolution approves the filing of MDOT's application with MTA for FY2023 funding. The request totals \$3,834,103 as noted in the staff report. State and Federal funding for the City's transit activities is essential in providing transportation services in the City of Annapolis. Any required City Match will be met by other funding sources recorded in the Transportation Fund. The grant and the related appropriations will be presented in the FY2023 proposed operating budget for the Transportation Fund.
