City Council Citation

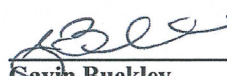

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your ongoing work with members of our community dealing with substance use disorder. On May 7, 2023, while you were getting fuel at a gas station in Annapolis, you were informed of some children who were trying to "wake up" a man on a swing in a nearby playground. They children reported that the man looked asleep, but could not be awakened, even as the children were shaking the swing. When you arrived, there was a soccer game going on nearby and the man unconscious in the swing, his face blue. You administered a single dose of Narcan, called 9-1-1 and performed CPR until paramedics arrived. Your quick action saved a life on that day, but your ongoing work helps the community to save lives throughout the year. Thank you for all you do!
