City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to help the residents of the Annapolis Light House Shelter when a fire made the shelter uninhabitable during one of the worst rain, wind, and flood events the City has ever experienced. As a team member of the Office of Emergency Management, you already had a full roster of duties when this event unfolded. Working with Light House management, you coordinated a call with the necessary City departments so that the residents could be relocated, provided overnight shelter, and have their needs met while displaced. We thank you for your service to these residents and all the residents of the City of Annapolis. We appreciate all you do!
