### **Market House Amendments**

The purpose of this legislation is to repeal and re-enact with amendments Section 7.28.010 and Section 7.28.020 of the City Code to amend the City's Market House policy to reflect a tenant and sub-tenant relationship, clarify Market House product and service policies, and remove the requirement for an enterprise fund.

The changes are further being proposed in preparation for a new lease of the Market House to one tenant who will operate the facility under Section 7.28.020 of the Annapolis City Code either as the sole tenant or in conjunction with sub-tenants selected by the tenant.
