

## **Staff Report**

### **Resolution 15-14**

#### **City Manager Recruitment**

The proposed resolution would express the sense of the City Council to utilize the services of an executive search firm or executive search consultant to assist with a nationwide search for candidates and recruitment for the position of City Manager. The City Manager is the top appointed executive in the City with responsibility for managing the entire City staff and coordinating policy decisions with the Mayor and Alderpersons. The right candidate for the City Manager position will help provide guidance to achieve the best possible path for City government and all of its citizens.
