Annapolis Environmental Commission

On behalf of the citizens of the City of Annapolis, we are pleased to confer upon you this **CITY COUNCIL CITATION** in recognition of your dedicated service on the Annapolis Environmental Commission from July 2001 through November 2014 as well as your service on the Conservancy Board and the Maritime Advisory Board. We thank you for your allegiance both as a Commission Member and as Commission Chair. Your passion and energy for the environment is remarkable and has been a driving force on the Commission, greatly enhancing the ability to engage in local issues of environmental significance.

We applaud your many accomplishments: as founder of Womanship International, as Director of Public Information and Participation for the Smithsonian Institutes Environmental Bureau, as a creator of the Chesapeake Information Resource Center, as a member of the executive committee of the Alliance for the Chesapeake Bay, Annapolis Environmental Conservancy and as a founding member of Spa Creek Conservancy. We want to showcase your efforts as a Master Watershed Steward in 2010 and the fact you remain a certified steward as well as the point of contact for stormwater education and issues in Annapolis. We thank you for your commitment to the City and to our environment and honor you and your accomplishments tonight.

Given Under Our Hands and the Great Seal of the City of Annapolis this 8th day of December, 2014.
