

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: Victoria Buckland, Acting City Manager

Date: August 29, 2025

Subject: R-35-25: 181 Prince George Street Sidewalk Easement

Purpose of legislation

The purpose of this legislation is to waive City restrictions on a trash can enclosure that encroaches on the City sidewalk in front of 181 Prince George Street; and generally relating to waiver of requirements of § 14.20.080 of the City Code.

Impact of legislation on operations

The particular situation is shown in the photo on the next page. The enclosure sits within the boundaries of the sidewalk, and the doors of this enclosure open onto the sidewalk in front. In this case, however, the staircase already sits within the sidewalk space and has been allowed through normal permitting review. This resolution would allow the enclosure to be similarly treated.
