

LEGISLATIVE SUMMARY

O-21-24

Taxicab Driver License Criteria

This summary was prepared by the City of Annapolis Office of Law for use by members of the Annapolis City Council during consideration of the legislation.

BILL SUMMARY

O-21-24 updates the City of Annapolis's taxicab driver requirements. This section of the City Code was last updated in 2003 and contains several dated references.

Details

Section 7.48.020

It simplifies the definition of taxicab, which includes more types of vehicles.

Section 7.48.520

- Changes the type of license required from Class "D" to "C" to conform to state requirements;
- Requires a "B" license tag, indicating they are a for-hire driver;
- Requires taxicabs to be under 26,0001 pounds; and
- Limits the number of riders to the number of passengers rated for the vehicle.
- Copyedited for easier understanding.
