

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: Teresa Sutherland

Date: July 5, 2019

Subject: R-37-19: Public Works Maintenance Facility Task Force

This resolution establishes a task force to provide the City Council with findings and recommendations on the benefits and detriments of the appropriate location for the proposed maintenance facility described in the Maintenance Facilities capital project. The task force is to consider the issues listed in the resolution and present its findings to the City Council no later than the first regular meeting of the City Council in January 2020.
