**Statement of interest – Why should you be appointed to this board/commission?**

As a native Annapolitan, lover and advocate of the arts, and Director of Annapolis Arts Week, I have taken a great interest in how the arts are portrayed within our city. My love for street and public art started at a young age and I would love to be a part of ways to bring it to Annapolis and intersect it in with our standing maritime and town culture.

As the Director of Annapolis Arts Week, my interest in public art has reached beyond my general love for it. My goal as Director is to plan a way to bring public art by and for our community to Annapolis, every year. I feel that this is a way for us as a community to come together, enjoy, and celebrate the arts on a larger level.
