

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: David Jarrell, City Manager

Date: March 24, 2022

Subject: R-25-22: Bates Middle School HVAC Project – Permit Fee Waiver

This resolution authorizes the fee waiver for the permitting of a HVAC renovation project that is scheduled to be done this summer. There is precedent for this fee waiver as previous large school projects likewise had permit fees waived. This allows the funding to be stretched for the design and construction of this critical project.
