

## FISCAL IMPACT NOTE

---

**Ordinance:** O-26-19

**Title:** Rental Unit and Short-term Rental Licenses

**Date:** June 17, 2019

---

This ordinance imposes additional administrative and inspection work on the Planning and Zoning Department. The Acting Director of Planning and Zoning believes the additional administrative work can be covered with existing staff.

The FY2020 budget proposes funding for an additional Property Maintenance Inspector I for \$81,500. The Acting Director of Planning and Zoning believes this additional position will be sufficient to cover the additional inspections that will be required by this ordinance.
