Forest Conservation — Program Changes to Conform with State Law

AMENDMENT 11 — Alderman Savidge

Amendment Summary:

Amendment 11 adds clarifying language regarding subdivisions and planned developments.

MOTION:

On page 5, at the end of Section 21.71.030(B)(8), add a new paragraph, numbered accordingly and the following:

"For the avoidance of doubt, the exemption under this subsection does not apply to any activity that constitutes, or is part of, a subdivision, planned development, site plan, or other regulated activity under Subsection A.1 of this section."

Explanation Note: ~~Strikethrough~~ indicates matter stricken from existing law.
 Underlining & black means copyediting or reformatting of the existing section
 Underlining & red means a Code change in the original legislation
 Underlining & blue means an amendment to legislation
