City Council Citation

Annapolis Sam's Club

On behalf of the citizens of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your ongoing support of the Annapolis Fire Department and the City of Annapolis.

We acknowledge that Annapolis Sam's Club, under the management of Scott Lewis, has been donating pallets of water to the Fire Department annually for years. This critical donation is used to hydrate department personnel on emergency scenes, as well as to benefit the public as a whole, such as during the high heat emergency at St. John's College last summer. This worthy donation has also benefited all of us on City Council when the air conditioning was not working, and has aided our city employees during special events such as the July 4th parade and fireworks. We also recognize that over the years, the donations from Annapolis Sam's Club are responsible for saving the department money that can now be used to provide emergency services rather than to purchase water.

We honor you tonight for your dedication to our fire department, our residents, and our visitors. We are grateful for your support and applaud your contributions to our community. Given Under Our Hands and the Great Seal of the City of Annapolis this 31st day of July, 2017.
