24 **3.36.010 - Plan established.**

25

26 ~~A retirement plan for eligible firemen and policemen of this City is hereby established~~  
27 ~~effective July 1, 1980.~~ AN AMENDED AND RESTATED PLAN, THE CITY OF  
28 ANNAPOLIS POLICE AND FIRE RETIREMENT PLAN EFFECTIVE JULY 1 2015,  
29 IS HEREBY ESTABLISHED AND ADOPTED BY REFERENCE. The terms of the  
30 ~~p~~Plan are set forth ~~in this chapter,~~ IN A SEPARATE PLAN DOCUMENT  
31 MAINTAINED BY THE CITY, AND MAY BE AMENDED, FROM TIME TO TIME,  
32 BY RESOLUTION. The ~~p~~Plan is a continuation, and a complete amendment and  
33 restatement, of the retirement plan for members of the Fire and Police Departments as  
34 maintained by the City immediately prior to the adoption BY REFERENCE of THE  
35 CITY OF ANNAPOLIS POLICE AND FIRE RETIREMENT PLAN EFFECTIVE  
36 JULY 1 2015.~~the ordinance from which this chapter derives.~~

37

38 ~~**3.36.020 - Definitions.**~~

39

40 ~~A.~~ The following words and phrases as used in this plan, unless a different meaning  
41 plainly is required by the context, have the following meaning:

42

43 1. ~~"Active service"~~ means as follows:

44

- 45 a. ~~Service before August 15, 1963:~~ A member's active service before August  
46 14, 1963 is that period of time, commencing with the member's most

1 recent date of hire and terminating on August 14, 1963, that the member  
2 was a full-time eligible employee of the City's Police Department or Fire  
3 Department.  
4

5 ~~b. Service after August 14, 1963: A member's active service after August 14,~~  
6 ~~1963, is that period of time, commencing with the later of August 15, 1963~~  
7 ~~or the member's most recent date of hire, that the member (i) was a full-~~  
8 ~~time eligible employee of the City's Police Department or Fire Department~~  
9 ~~and (ii) made all required contributions to the City's police and fire~~  
10 ~~retirement fund as specified in this chapter.~~

11  
12 ~~e. Breaks in service: Except as set forth in this subparagraph, if a member~~  
13 ~~terminates employment with the City's Police Department or Fire~~  
14 ~~Department for reasons other than death, disability retirement or service~~  
15 ~~retirement, the member will lose all credit for active service earned before~~  
16 ~~his/her employment terminated. However, if the member is rehired and~~  
17 ~~again becomes a member, and if when the employee becomes a member~~  
18 ~~again, the employee has vested rights to a pension benefit under this plan,~~  
19 ~~which rights derive from prior active service, then the employee's prior~~  
20 ~~active service will be reinstated and will be added to active service earned~~  
21 ~~after the employee's rehire. Furthermore, if a member terminates~~  
22 ~~employment with the City's Police or Fire Department but remains an~~  
23 ~~employee of the City, and if the employee subsequently becomes a~~  
24 ~~member again without having terminated employment with the City in the~~  
25 ~~interim, the employee's active service will include active service standing~~  
26 ~~to the employee's credit when the employment with the Police or Fire~~  
27 ~~Department terminated unless the member received a distribution of the~~  
28 ~~member contributions, plus interest, attributable to such service, in which~~  
29 ~~event such service shall be disregarded. Furthermore, if a member~~  
30 ~~terminated employment with the City's Police Department before July 1,~~  
31 ~~1996 for reasons other than death, disability retirement or service~~  
32 ~~retirement and after such termination was rehired by the Police~~  
33 ~~Department and again became a member, the member shall be entitled to~~  
34 ~~credit for any active service earned before his/her employment terminated~~  
35 ~~for which the member received, at the time of termination, a distribution~~  
36 ~~of the member's contributions, provided that, not later than December 31,~~  
37 ~~1996, the member: (1) retires; (2) completes a claim for the service credit~~  
38 ~~in such form as the City's Human Resources Director may require; (3)~~  
39 ~~pays the retirement fund an amount equal to the distribution made to the~~  
40 ~~employee at the time of termination plus interest thereon calculated at a~~  
41 ~~rate to be determined by the Director of Finance in consultation with City~~  
42 ~~pension consultants, compounded on each July 1st and calculated from the~~  
43 ~~date of distribution through the date of payment hereunder. The provisions~~  
44 ~~of the preceding sentence shall apply whether or not the member was~~  
45 ~~vested at the time of the termination creating the break in service. Upon~~  
46 ~~the foregoing payment to the retirement fund, the member shall be deemed~~

1           to have never withdrawn any contribution as set forth in Section 3.36.020  
2           (A)(16)(b).

3  
4           d. ~~Active service shall be computed, for the purpose of determining benefits~~  
5           ~~to be paid to the member from the retirement fund, to the nearest one-~~  
6           ~~twelfth of a year.~~

7  
8           e. ~~Credit for military service: If a member's normal service retirement~~  
9           ~~pension benefit is determined under either Section 3.36.040(A)(2) or~~  
10           ~~Section 3.36.040(C), service on active duty with the Armed Forces of the~~  
11           ~~United States will count as active service under the following~~  
12           ~~circumstances and subject to the following conditions and limitations. Up~~  
13           ~~to three years of active duty will be credited as active service if the~~  
14           ~~member is drafted or called to active duty and returns to service under this~~  
15           ~~plan within ninety days after becoming eligible for release from active~~  
16           ~~duty. Active duty, not to exceed three years, with the Armed Forces of the~~  
17           ~~United States which was completed honorable before employment began~~  
18           ~~with the City will be counted as active service; provided, however, that (i)~~  
19           ~~military service will not count for purposes of increasing the member's~~  
20           ~~normal service pension benefit unless a member has completed twenty~~  
21           ~~years of actual active service with the City, (ii) no military service credit~~  
22           ~~will be awarded which would cause the member's total active service to~~  
23           ~~exceed any applicable plan maximum, and (iii) military service will not~~  
24           ~~count as active service for any purpose under the plan unless the member~~  
25           ~~provides written verification of the military service which is satisfactory to~~  
26           ~~the City's Human Resources Director.~~

27  
28           2. ~~"Annual earnings": A member's annual earnings shall equal twenty-six times the~~  
29           ~~member's straight time biweekly pay period salary as that salary is in effect on the~~  
30           ~~date disability is incurred or death occurs.~~

31  
32           3. ~~"Credited interest" means the interest earned on member contributions for the~~  
33           ~~number of full months from the July 1st following the date the contribution was~~  
34           ~~made to the date to which interest is being computed. Member contributions made~~  
35           ~~for the time period ending June 30, 1980 shall accrue interest during the period~~  
36           ~~described in the preceding sentence at the rate of two percent per annum~~  
37           ~~compounded on each July 1st. Member contributions made for the time period~~  
38           ~~beginning July 1, 1980 shall accrue interest during the time period described in~~  
39           ~~the first sentence of this subdivision at the rate of five percent per annum~~  
40           ~~compounded on each July 1st, except that the five percent per annum interest rate~~  
41           ~~may be modified, with the prior approval of the City Council.~~

42  
43           4. ~~"Disability retirement": Retirement granted pursuant to the provisions of Section~~  
44           ~~3.36.070.~~

45  
46           5. ~~"Early service retirement date" of a member will be determined as follows:~~

29  
30 **~~3.36.118 – Payment of benefits.~~**

36  
37 ~~A. — This subsection applies to (i) a member hired before August 1, 1972, (ii) a~~  
38 ~~member hired on or after August 1, 1972 but before August 1, 1979 who has not elected~~  
39 ~~to be covered by Section 3.36.020(A)(11)(e)(ii) (pertaining to normal service retirement~~  
40 ~~after twenty five years of active service) and (iii) a member hired on or after August 1,~~

42 ~~3.36.020(A)(11)(d)(ii) (pertaining to normal service retirement after twenty five years of~~

- 1 ~~1. An annual annuity equal to fifty percent of the member's yearly earnings shall be~~  
2 ~~paid to the member's widow(er) until remarriage or death.~~  
3
  - 4 ~~2. If the widow(er) remarries at a time when there are one or more children (natural~~  
5 ~~or legally adopted) of the member under eighteen years of age, the widow(er) will~~

7 ~~payments the widow(er) had been receiving immediately before remarriage, with~~  
8 ~~annuity payments continuing until the youngest child attains age eighteen.~~  
9
  - 10 ~~3. If the widow(er) dies at a time when there are one or more children (natural or~~

13 ~~had been receiving immediately before death shall be paid in equal shares to each~~  
14 ~~child or children (or to the child's or children's legal guardian as determined by~~  
15 ~~the City's Personnel Director), and the annuity payment shall terminate when the~~  
16 ~~youngest such child attains age eighteen.~~  
17
  - 18 ~~4. Upon the termination of annuity payments under this Subsection any excess of the~~  
19 ~~member's contribution, plus interest as defined in Section 3.36.020(A)(3), over~~  
20 ~~the sum of the annuity payments previously paid to the member and his or her~~  
21 ~~survivors will be paid in a lump sum to the widow(er) or the widow(er)'s estate,~~  
22 ~~except that if annuity payments were being paid to a child or children of the~~  
23 ~~member, the excess will be paid in a lump sum in equal shares to each child.~~  
24
  - 25 ~~5. If a member covered by this subsection dies without a surviving widow(er), the~~  
26 ~~member's contributions, plus interest as defined in Section 3.36.020(A)(3), will be~~  
27 ~~paid to the member's estate in a lump sum.~~  
28
- 29 ~~B. This subsection applies to (1) a member hired on or after August 1, 1972 but~~  
30 ~~before August 1, 1979 who has elected to be covered by Section 3.36.020(A)(11)(c)(ii)~~  
31 ~~(pertaining to normal service retirement after twenty five years of active service), (2) a~~

34 ~~twenty five years of active service) and (3) a member hired on or after July 1, 1980. If a~~  
35 ~~member belonging to one of those categories dies in the line of duty while in active~~  
36 ~~service, and if the member was not covered under the normal service retirement pension~~  
37 ~~formula described in Section 3.36.040(C), a monthly annuity providing payments each~~  
38 ~~month equal to fifty percent of the member's monthly normal service retirement benefit,~~  
39 ~~computed as of the date of death in accordance with Section 3.36.040(B) (including~~  
40 ~~provisions governing integration with social security after the member's sixty fifth~~  
41 ~~birthday, but excluding accumulated unused sick leave), shall be paid to the widow(er)~~  
42 ~~until his or her remarriage or death. The minimum amount of the annuity shall be thirty~~  
43 ~~percent of the member's annual earnings as of date of death, plus five percent for each~~  
44 ~~unmarried child (natural or legally adopted) of the member under eighteen years of age~~  
45 ~~on that date to a maximum of forty percent of annual earnings. Additionally, upon the~~  
46 ~~remarriage of the widow(er) the portion of the annual annuity attributable to an~~

1 ~~unmarried child shall continue to be paid to the widow(er) until that child marries or, if~~  
2 ~~earlier, attains age eighteen. If the member was covered under the normal service~~  
3 ~~retirement pension formula described in Section 3.36.040(C), a monthly annuity~~  
4 ~~providing payments each month equal to fifty percent of the member's yearly earnings~~

8 ~~eighteen, the annual annuity attributable to the widow(er) only shall be paid, in equal~~  
9 ~~shares, to those children under age eighteen (or to their legal guardian as determined by~~  
10 ~~the City's Personnel Director), and each child's annuity shall terminate when the child~~  
11 ~~attains age eighteen. Upon the termination of annuity payments under this subsection any~~  
12 ~~excess of the member's contribution, plus interest as defined in Section 3.36.020(A)(3),~~  
13 ~~over the sum of the annuity payments previously paid to the member and the member's~~  
14 ~~survivors will be paid in a lump sum to the widow(er) or the widow(er)'s estate, except~~  
15 ~~that if annuity payments were being paid to a child or children of the member, the excess~~  
16 ~~will be paid in a lump sum in equal shares to each child. If a member covered by this~~  
17 ~~subsection dies without a surviving widow(er), the member's contributions, plus interest~~  
18 ~~as defined in Section 3.36.020(A)(3), shall be paid in a lump sum to the member's estate.~~

38 ~~calculation of active service), an annual annuity equal to a percentage of the~~  
39 ~~member's yearly earnings will be paid to the member's widow(er) until death or~~  
40 ~~remarriage. If the member did not elect to be covered under the normal service~~  
41 ~~retirement pension formula described in Section 3.36.040(A)(2), the percentage of~~  
42 ~~the member's yearly earnings to be paid shall be ten percent plus one percent for~~  
43 ~~each year of active service (excluding accumulated unused sick leave in the~~  
44 ~~calculation) in excess of ten standing to the credit of the member as of the date of~~  
45 ~~the member's death; provided, that the maximum percentage shall be thirty~~

5 previously paid to the member and the widow(er) shall be paid in a lump sum to  
6 the widow(er) or the widow(er)'s estate. Upon the death of a member covered by  
7 this subdivision who is not survived by a widow(er), the member contributions,

### 33 ~~3.36.150 – Cost of living adjustment.~~

6 ~~A party aggrieved by a decision of the board may file an appeal to the circuit court for~~  
7 ~~Anne Arundel County pursuant to Maryland Rules, Title 7, Chapter 200 or its successors.~~

8  
9 ~~C. The City Attorney shall represent the City's interests in all contested hearings~~  
10 ~~before the Public Safety Disability Retirement Board and shall not advise the board or act~~  
11 ~~as legal counsel to it in regard to the hearing.~~

### 12 13 ~~3.36.180 – No employment right.~~

14  
15 ~~This plan does not entitle any person to initial or continued employment by the City.~~

### 16 17 ~~3.36.190 – Annual appropriation and levy.~~

18  
19 ~~For all retirements, the City Council shall appropriate and levy each year a sufficient sum~~  
20 ~~to pay the pensions provided in this chapter for all members retired under the provisions~~  
21 ~~of this plan. This appropriation shall be included the City's annual budget in an amount of~~  
22 ~~not less than the amount recommended by any legal life reserve insurance company,~~  
23 ~~trustee or other funding medium engaged by the City for the purpose of underwriting the~~  
24 ~~plan, as set forth in the underwriter's latest actuarial report, after giving due allowance for~~  
25 ~~any salary increases approved by the City Council.~~

### 26 27 ~~3.36.200 – Spendthrift provisions.~~

28  
29 ~~No benefit provided under the plan will be subject to anticipation, alienation, sale,~~  
30 ~~transfer, assignment, pledge, encumbrance or charge and any attempt to do so will be~~  
31 ~~void. To the maximum extent permitted by law, no such benefit will be liable for or~~  
32 ~~subject to attachment or other legal process for or against any payee. If the payee of any~~  
33 ~~payment is a minor or incompetent person, payment may be made to the person or~~  
34 ~~persons caring for or supporting such payee, in full discharge of all obligations.~~

### 35 36 ~~3.36.210 – Amendment.~~

37  
38 ~~This plan is established and maintained for the exclusive benefit of its members. Subject~~  
39 ~~to this limitation, any provision of this plan may be amended by the City at any time if,~~  
40 ~~with respect to payments resulting from annuities purchased before the effective date of~~  
41 ~~the amendment, the amendment does not reduce the amount of any payment or the term~~  
42 ~~of monthly payments, or delay the due date of any payment to the member. Any~~  
43 ~~provision of this plan may be amended in any respect, without regard to the above~~  
44 ~~limitation, if the amendment is required for qualification or continued qualification of the~~  
45 ~~plan under income tax laws, or is necessary for this plan to meet the requirements of any~~  
46 ~~other applicable law. No member's consent is required for any amendment to the plan.~~

1  
2 **~~3.36.220 – Termination.~~**

9 ~~the plan as of the date of termination (determined as set forth in this section), to the extent~~  
10 ~~then funded, shall become fully vested. Upon termination, unapplied payments and other~~  
11 ~~assets of the retirement fund will be disposed of through the purchase of annuities or~~  
12 ~~otherwise for the exclusive benefit of members and their beneficiaries, in the order of~~  
13 ~~priority stated at the end of this subsection. The necessary assets of the retirement fund,~~  
14 ~~determined by the City on the basis of an actuarial valuation, will be fully allocated for~~  
15 ~~all members of one class before any assets are allocated to the next class. The amount of~~  
16 ~~retirement benefit will be determined as of the date of termination of the plan based, in~~  
17 ~~the case of active members, on active service and final or annual earnings, whichever is~~  
18 ~~applicable, as of the date of termination. If the assets are insufficient to provide the full~~  
19 ~~retirement benefits for all persons in a class, a pro-rata allocation will be made for that~~  
20 ~~class and no retirement benefits will be provided for succeeding classes. If any balance~~  
21 ~~remains after these priorities have been satisfied, the balance shall become the property of~~  
22 ~~the City. The order of priority is as follows:~~

- 23  
24 ~~1. — To provide retirement benefits for members and survivors then receiving~~  
25 ~~retirement benefits for which annuities have not been purchased;~~  
26  
27 ~~2. — To provide retirement benefits, starting at age sixty five, for active members who~~  
28 ~~have completed thirty or more years of active service;~~  
29  
30 ~~3. — To provide retirement benefits, starting at age sixty five, for active members who~~  
31 ~~have completed twenty five years but less than thirty years of active service;~~  
32  
33 ~~4. — To provide retirement benefits, starting at age sixty five, for active members who~~  
34 ~~have completed twenty years but less than twenty five years of active service;~~  
35  
36 ~~5. — To provide retirement benefits, starting at age sixty five, for all other active~~  
37 ~~members.~~

38  
39 ~~C. — If a partial termination of the plan, as determined under applicable provisions of~~  
40 ~~the Internal Revenue Code and regulations issued under that code, occurs, the amount of~~  
41 ~~retirement benefit, determined as in Subsection B of this section, of each member~~  
42 ~~affected by the partial termination shall become fully vested to the extent then funded.~~  
43 ~~The City shall have the right to take actions with respect to the provision of such benefits~~  
44 ~~and the application of plan assets attributable to those benefits as are consistent with~~  
45 ~~requirements of the Internal Revenue Code and regulations issued under that code and as~~  
46 ~~are considered appropriate by the City.~~

1  
2 ~~3.36.230 – Reversion of funds to City.~~

3  
4 ~~Under no circumstances shall amounts deposited by the City in the retirement fund revert~~  
5 ~~to the City until all liabilities for benefits under this plan have been satisfied. The~~  
6 ~~retirement fund shall be held and maintained for the exclusive benefit of members~~  
7 ~~participating in this plan, subject however to the rights of the City upon plan termination~~  
8 ~~set forth in Section 3.36.220.~~

9  
10 ~~3.36.240 – Forfeitures.~~

11  
12 ~~Any forfeitures of benefits arising under this plan shall not increase the benefits of other~~  
13 ~~members but shall be applied to reduce the City's contributions to the retirement fund.~~

14  
15 ~~3.36.250 – Internal Revenue Service requirements – Early termination.~~

16  
17 ~~Internal Revenue Service regulations impose limitations upon the benefits payable to~~  
18 ~~certain persons if the plan is terminated, or if full current costs are not met, within ten~~  
19 ~~years after the effective date of the plan or within ten years after the effective date of an~~  
20 ~~amendment to the plan liberalizing benefits. These limitations apply only to a person who~~  
21 ~~is one of the twenty five highest paid employees of the City on the latest effective date,~~  
22 ~~and for whom a monthly annuity of one hundred and twenty five dollars or more will be~~  
23 ~~purchased by the City contributions alone on the member's normal service retirement~~  
24 ~~date, assuming the member's compensation remains unchanged and the member remains~~  
25 ~~in the City's service until that date. If the plan is so terminated or curtailed, any annuity or~~  
26 ~~portion thereof purchased at or before termination or curtailment for that person by City~~  
27 ~~contributions in excess of the member's "unrestricted maximum" is required to be~~  
28 ~~canceled. The member's unrestricted maximum is the greatest of Subsections A, B and C:~~

29  
30 ~~A. — The City contributions, if any, which would have been applied to provide benefits~~  
31 ~~for that person if the plan had not been amended, but not greater than any unrestricted~~  
32 ~~maximum previously applicable to such person;~~

33  
34 ~~B. — Twenty thousand dollars;~~

35  
36 ~~C. — The sum of:~~

37  
38 ~~1. — An amount computed by multiplying the number of years for which current costs~~  
39 ~~of the plan have been met since the effective date of the plan or the latest amendment~~  
40 ~~liberalizing benefits times twenty percent of the person's average earnings for the last five~~  
41 ~~years of the person's service with the City, or ten thousand dollars, whichever is smaller,~~  
42 ~~and~~

43  
44 ~~2. — The City contributions, if any, which would have been applied to provide benefits~~  
45 ~~for that person if the plan had terminated immediately before the effective date of~~

1 amendment, but not greater than any unrestricted maximum previously applicable to that  
2 person.

3  
4 ~~3.36.260 – Internal Revenue Service requirements – Maximum benefit.~~

5  
6 ~~The maximum yearly pension benefit to which a retired member will be entitled, when~~  
7 ~~combined with the benefits to which the member is entitled under any other qualified~~  
8 ~~defined benefit plan maintained by the City, is the sum of the benefit attributable to~~  
9 ~~member contributions and maximum benefit attributable to employer contributions. The~~  
10 ~~maximum yearly pension benefit attributable to employer contributions is described as~~  
11 ~~follows:~~

12  
13 ~~A. — The yearly amount of pension benefit during any calendar year shall not exceed~~  
14 ~~the maximum amount stated in subdivisions 1 through 5 of this subsection. The items are~~  
15 ~~as follows:~~

16  
17 ~~1. — The maximum amount shall be the lesser of (a) the maximum dollar limitation~~  
18 ~~then in effect under Section 415 of the Internal Revenue Code or (b) one hundred percent~~  
19 ~~of a member's average annual compensation by the City during the three consecutive~~  
20 ~~calendar years of the member's highest compensation while he or she was a member of~~  
21 ~~the plan.~~

22  
23 ~~2. — The maximum amount in Subdivision 1 of this subsection shall be reduced~~  
24 ~~actuarially pursuant to Federal regulations if pension benefit payments commence prior~~  
25 ~~to the member's fifty fifth birthday.~~

26  
27 ~~3. — The maximum amount in Subdivision 1 of this subsection will be reduced~~  
28 ~~actuarially to reflect the form of benefits provided, if benefits are paid in a form other~~  
29 ~~than (a) a straight life annuity form, or (b) a joint annuity form with the member's spouse~~  
30 ~~named as the joint annuitant.~~

31  
32 ~~4. — The benefit payable to a member will not be considered to exceed such limitations~~  
33 ~~if the aggregate annual amount of benefit for the member under all defined benefit plans~~  
34 ~~maintained by the City for each year and all prior years is not more than ten thousand~~  
35 ~~dollars, and the member has not at any time participated in a defined contribution plan~~  
36 ~~maintained by the City.~~

37  
38 ~~5. — The limitations stated in Subdivisions 1 and 4 of this subsection shall be reduced~~  
39 ~~if during any limitation year the member's total years of active service is less than ten.~~  
40 ~~The reduced limitation will equal the amount in Subdivisions 1 or 4 of this subsection, as~~  
41 ~~applicable, multiplied by a fraction, the numerator of which is the number of years (or~~  
42 ~~part of a year) of the member's active service and the denominator of which is ten.~~

43  
44 ~~B. — In the event any member is also a member in a defined contribution plan~~  
45 ~~maintained by the City, the sum of the defined benefit plan fraction and the defined~~  
46 ~~contribution plan fraction for any calendar year shall not exceed 1.4. The defined benefit~~

1 plan fraction for any year is a fraction (1) the numerator of which is the projected annual  
2 benefit of the member under this plan (determined as of the close of the year), and (2) the  
3 denominator of which is the maximum benefit allowable by law. The defined  
4 contribution plan fraction for any year is a fraction (1) the numerator of which is the sum  
5 of the annual additions to the member's account as of the close of the year and (2) the  
6 denominator of which is the sum of the maximum allowable amount of the annual  
7 additions to that account. For the purpose of applying this limitation, all defined benefit  
8 plans (whether or not terminated) maintained by the City shall be treated as one defined  
9 benefit plan, and all defined contribution plans (whether or not terminated) maintained by  
10 the City shall be treated as one defined contribution plan.

### 11 **3.36.270 – Small payments.**

12 ~~A single sum payment in an actuarially equivalent amount may be made in lieu of~~  
13 ~~monthly payments if the amount of each monthly payment would be less than fifty~~  
14 ~~dollars.~~

### 15 **3.36.280 – Retirement Plan Commission.**

16 ~~A. — There is established a Police and Fire Retirement Plan Commission, to consist of~~  
17 ~~the Mayor, the Director of Finance, the Human Resources Director, the Chair of the~~  
18 ~~Finance Committee or a member of the Finance Committee, the Chief of Police or the~~  
19 ~~chief's designated representative, the Fire Chief or the chief's designated representative, a~~  
20 ~~representative jointly designated by the certified bargaining units for the Police and~~  
21 ~~Firefighters, and a representative of a local financial institution to be appointed by the~~  
22 ~~Mayor. The representatives of the bargaining units and the financial institution shall be~~  
23 ~~appointed by the Mayor and confirmed by the City Council and shall serve for terms of~~  
24 ~~three years, or until a successor is appointed and duly qualified, commencing on~~  
25 ~~November 1st.~~

26 ~~B. — The commission shall meet at least annually to review the funding of the~~  
27 ~~retirement plan, the reports of any actuary administering to the plan, and the investments~~  
28 ~~supporting the funding of the plan, and based thereon, shall issue a report to the City~~  
29 ~~Council with respect to such matters as it deems appropriate, including any~~  
30 ~~recommendations with respect to improvements in the methods of procedures for the~~  
31 ~~funding of the plan.~~

32 ~~C. — The commission shall have the authority to invest and reinvest the pension fund in~~  
33 ~~any securities, insurance company contract (including but not limited to the issue of a~~  
34 ~~contract for the purpose described in Section 3.36.290), trust company account or any~~  
35 ~~other investment as is lawful. The commission, from time to time, may employ an agent,~~  
36 ~~including an investment advisor, for the purpose of directing the investment and~~  
37 ~~reinvestment of all or a portion of the pension fund.~~

### 38 **3.36.290 – Annuity contract funding.**

1 ~~The benefits to be provided under this plan to employees other than retired employees~~
