

FISCAL IMPACT NOTE

Ordinance: R-46-24

Title: Task Force to Study Residential Marine Vessels

Date: September 18, 2024

This resolution creates a task force to research and make recommendations for the City of Annapolis' policy, law, and regulations on residential marine vessels. There will be costs incurred for supplies that will not exceed \$1,000. If this resolution passes, the City will have to determine a funding source using existing appropriations
