

Good evening. Every year, you rabble rousers show up here declaring war against the fair City of Annapolis. We feel you have nothing to complain about.

We in the City of Annapolis, on the other hand, do have some grievances! I will now read the top 5 complaints from the City of Annapolis toward the inhabitants of Eastport:

5. **Clubs**. We've got Annapolis Yacht Club and we are very proud, especially after they recovered from the fire. But you've got so many clubs: Peerless Rens, Eastport Yacht, Severn Sailing, Eastport Democratic, Seafarers. There is simply too much fun happening on your side of the creek!
4. **Pirates**. You have an actual pirate ship operating out of your side.
3. **Guy Fieri**. He highlighted Galway Bay in February of 2012 but then later that same year did he really have to showcase Davis's Pub? Talk about stealing Annapolis' thunder!
2. **Boatyards**. Every time I need to get my dinghy serviced, I've got to go to Eastport!
1. **Ross Arnett**. And, just so you know, we are willing to give him back.
