City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your efforts to green the City and keep it tidy and litter free. You go beyond your prescribed duties and demonstrate your pride and care for the City in spraying weeds in sidewalks with your own environmentally friendly mixture of water, vinegar, and dish soap. You plant vegetables and tend gardens around City Dock creating urban gardens and adding lush foliage to the landscape. You care for the ducks with morning feeding time, have a treat for dogs, and a greeting for all you meet. The Harbormaster's team appreciates the extra pair of eyes that you provide at City Dock, alerting them to anyone who seems to be in need of assistance. It is evident that you care deeply for this City, this community, and the environment. You are an excellent ambassador for Annapolis every day, but especially in April, which is Earth Month.

Presented to:
