

One Annapolis Grant Review Report

Adopt a Community Grant

Empowering Community Leaders

One Annapolis is extremely grateful for the support from the City of Annapolis' Office of Community Services to empower community leaders in some of our most vulnerable neighborhoods. Your generous and continued support is creating impactful change, one community at a time.

Projects

Outcome

20+

Native Plants
Installed in
Eastport
Community

Peace of Mind Garden Club

Project Leader Toccara Bridgers planted over 20 native perennials throughout the Eastport community, most notably in the revived Eastport Community Garden.

4

The Bywater
Community
Garden is in its
4th growing
season

Bywater Community Garden

The Bywater Community Garden boasts over 10 varieties of vegetable plants and herbs, in addition to a dozen native pollinators.

60

60 students and
families will
benefit from the
One Annapolis
21st Community
Learning Center

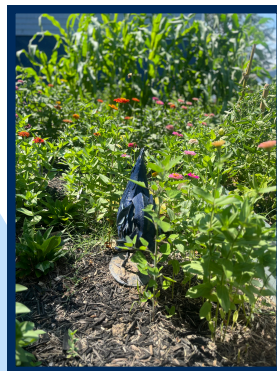

Operating Funds

Operational support for One Annapolis allowed us to apply/qualify for a large grant from the Maryland State Dept. of Education that will establish a 21st Century Community Learning Center at Annapolis Middle School.

FY 24 Funding

\$10,000

Grants

Future Impact

This summer, One Annapolis will support the Peace of Mind Garden Party in Eastport and the Bywater Backpack Giveaway in Bywater Mutual Homes.
