

FISCAL IMPACT NOTE

Legislation No: O-40-17

First Reader Date: 7-31-17

Note Date: 9-6-17

Legislation Title: Residential Parking Permit Applications

Description: For the purpose of requiring a parking sticker in addition to a registered license plate in Parking Districts 1 and 2.

Analysis of Fiscal Impact: With the implementation of the License Plate Recognition technology, the City's parking management contractor, SP+, eliminated the use of parking stickers. This legislation would produce a minimal fiscal impact for the cost of parking stickers in Districts 1 and 2.
