Legislation Title: **Boat Launch Enforcement Authority**

Description: For the purpose of permitting an authorized agent of the City of Annapolis to exercise limited authority in boat launch enforcement; ensuring that patrons that utilize boat ramp(s) pay appropriate launching fees; and matters generally relating to extending boat launch enforcement powers to an authorized agent.

Analysis of Fiscal Impact: This legislation would allow the City to expand its Parking Management Agreement with SP+ to include the enforcement of the Truxtun Park boat ramp. SP+ will warn, cite and tow those persons that launch a boat at Truxtun Park without paying the applicable fee. Additionally, the current credit card terminal at Truxtun Park will be replaced with an electronic payment method via phone application. The increased enforcement and convenient payment method are estimated to increase the revenue received at Truxtun Park.
