Legislation Title: Nonstandard Vehicles Definition

Description: For the purpose of amending the definition of Nonstandard Vehicles to include all such vehicles including pedicabs and for-hire Segways.

Analysis of Fiscal Impact:

This legislation intends to broaden the definition of nonstandard vehicles to be inclusive of pedicabs and for-hire Segways. While this amendment will encompass additional nonstandard vehicles that will be required to purchase annual nonstandard vehicle permits and nonstandard vehicle operator permits, the fiscal impact will not be significant.
