City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your exemplary service to the community. Your collective efforts in cleaning up the Annapolis Maritime Museum Park and Elktonia/Carr's Beach, as well as certifying an Ocean Friendly Garden at the Maritime Museum, have greatly enhanced our city's natural beauty and environmental health. We recognize Gracyn Green for her leadership in organizing these efforts on behalf of the Annapolis High/Surfrider Student Club. As a group, you have demonstrated remarkable teamwork and commitment to protecting our waterways and inspiring others to join the cause of environmental stewardship. We thank you for your hard work, your vision, and your continued success in making Annapolis a model for environmental action and youth engagement!
