Permit Renewal in Special Residential Parking Districts

This summary was prepared by the City of Annapolis Office of Law for use by members of the Annapolis City Council during consideration of the legislation.

BILL SUMMARY

O-16-24 simplifies the City's Special Residential Parking District permit duration and eliminates prorated fees.

- 1) Special Residential Parking Districts will be issued for one year starting whenever the permit is issued.
- 2) The total annual fee shall be paid when the permit is issued.

Currently, Special Residential Parking District permits are typically renewed on July 1, the start of the City's new budget year. If the permit is issued during other times of the year, fees are adjusted based on the permit's issuance and the beginning of the next budget year.
