

## STAFF REPORT ON PROPOSED LEGISLATION

---

To: Mayor Gavin Buckley  
From: Sally Nash, Director of Planning & Zoning  
Date: July 22, 2020  
Subject: O-31-20: Non-motorized wheeled vehicles on Sidewalks

---

Under Current City Code, a person is not allowed to ride on or use “in a negligent manner” any non-motorized wheeled vehicle on a public street, alley, or sidewalk. This implies that a person can therefore ride on or use a non-motorized wheeled vehicle on a public street, alley, or sidewalk if done in a careful manner. The purpose of this ordinance is to simplify the language to make it clear and to explicitly identify the kinds of non-motorized wheeled vehicles that are included.

Furthermore, this ordinance exempts certain sidewalks or sidewalk areas where there is a sign posted that prohibits non-motorized wheeled vehicles.
