WHEREAS, the City of Annapolis recognizes, in particular, the Voting Rights Act of 1965 as a landmark piece of legislation that prohibits discrimination in voting, and therefore, the City of Annapolis abhors any efforts that would inhibit or thwart or any attempt to inhibit or thwart any person who proceeds to legitimately exercise his or her right to vote; and

WHEREAS, the chairs of both Central Committees have called on the City Council to conduct an investigation into the 2013 City election; and

- Procedures for training election judges on their responsibilities for cooperating with poll watchers representing candidates and campaigns.
- Procedures for training election judges on their responsibility to provide provisional ballots to voters who show up at polling places believing they are registered to vote but are not listed on the voter rolls.
- Procedures for allowing election judges to vote at the precinct where they work.
- Procedures governing poll watchers, including their training and responsibilities to work with election judges.
- Procedures for notifying the public of the deadlines for registering to vote for both the primary and general elections.
- Procedures for notifying voters that they are ineligible to vote if they register after the deadline.
- Procedures for notifying voters of the deadlines for requesting an absentee ballot, and for returning the ballot.
- Procedures for notifying voters if their application is incomplete and allowing them to correct their application.
- Procedures for informing voters that once they receive an absentee ballot they cannot vote at the polls, even if they do not return the absentee ballot.
- Procedures for documenting and date stamping absentee ballots once they are returned, whether by mail or in person at City Hall.
- Procedures for sealing an absentee ballot before it is returned, including the use of tape if the seal on the ballot is insufficient to keep the ballot closed.
- Procedures for informing voters of their right to vote by provisional ballot if they show up to vote and are not listed on the voter rolls.
- Procedures for documenting receipt of provisional ballots.
- Procedures for disqualifying absentee and provisional ballots.
- Procedures for ensuring that election judges are trained and willing to cooperate with established rules and procedures.
