Drug Enforcement Unit

- Investigates many community complaints
- Focuses on complaint areas and areas experiencing violence
- Alcohol & Tobacco Compliance Checks

Notable Case - June 2021-Two people were arrested and charged in connection with a drug trafficking ring which conspired to distribute heroin, cocaine, crack cocaine and fentanyl between October 2019 and May 2021 in Anne Arundel County and Annapolis. Four federal search and seizure warrants were executed which resulted in the seizure of 8 firearms (including 2 assault rifles), approximately 1.2 kilograms of heroin, 1.5 kilograms of cocaine, 97 grams of crack cocaine and 89 grams of fentanyl, and \$149,221 in US currency seized. An additional Federal warrant was obtained for a vehicle and during the search of the vehicle 11 kilograms of fentanyl and 270 grams of heroin were seized. The total approximate street value of the drugs is \$1.7 million. This was a coordinated effort between DEA HIDTA Group 51, FBI Annapolis, Annapolis Police Department, with the assistance of the Anne Arundel County Police and the Maryland State Police PACE Team.

Partnerships

- FBI
- HIDTA
- U.S. Marshals Service
- Governor's Office of Crime Prevention,
Youth and Victim Services

Important to our Successes

- Training
- City Cameras
- Access to law enforcement databases and investigative tools
- Amazon WorkSpaces (AWS) to work remotely and access our FBR and RMS systems

Additional Needs

- Interview room updates
- Camera maintenance & upgrades
- Staffing shortages
- Victim/Witness Services

Community Outreach- Food Pantries

Since 2018, the Department has participated in more than 200 food pantries. The pantries have served more than ten areas in the City serving thousands of families.

Community Outreach- '... with a Cop' Series

Cocoa with a Cop

These events are for children and adults!

Coffee with
a Cop

Shop with a Cop

Crisis Intervention Team

Number of Officers/Police Communication Operators/Civilians trained:
25

Number of warline calls with Annapolis zip codes: 4,071

Number of Safe Stations assessments since 2017 for Annapolis: 561

"Detectives for Mental Health"

CIT Officers assess and evaluate needs and establish a plan for clients. They investigate available resources for the community member. A client may need weekly wellness checks, transportation to a doctor's appointment or assistance with the judicial system.

Clothing Drive

The Forensics Unit noticed an immediate need for clothing for crime victims. They sent out a SOS to APD Officers for donations. The response was overwhelming. The Unit is able to provide essential clothing to a crime victim in need.

Tornado, September 2021

CIT responded and supported the families during the emergency. The CIT Sergeant was present in the community to assist with emergency needs. Worked with partner agencies: AFD and OEM

Community Resource Centers

Robinwood-1453 Tyler Ave

Through a partnership with the Housing Authority of the City of Annapolis (HACA) and the Mayor's Office the Department has established two Resource Centers.

Goal: To further establish and develop community relations. To provide a place for positive interactions between police and individuals in the community.

Where: Robinwood and Harbor House

**Harbor House-1155 Madison St,
S4**
